

Unit 4: The Titans

Syllabus

OVERVIEW & PURPOSE

In this unit students will be introduced to the topic The Titans. Students should obtain a working knowledge of what a Titan is, and what they do to be recognized in their profession. Students will understand how a Titan's leadership revolves around their charisma, drive, and ability to attract others with their impressive work ethic. Finally, students should know that they can become Titans by making their passion into a profession

COURSE LEARNING OBJECTIVES

1. Understand the basic meaning of a Titan.
2. Understand what needs to be learned to become a Titan.
